

# LAUNCH

**ADAS Calibration Tool**

**X-431 ADAS Mobile**

# Introduction

- X-431 ADAS Mobile is an innovative portable ADAS calibration tool, which realized calibration for vehicle ADAS system and satisfied the demand of daily ADAS calibration for car repair shop and glass shop through five-line and cross laser instrument to assist for centering positioning, modular target design, and collocating with diagnosis equipment.
- With foldable base and two arms, X-431 ADAS Mobile calibration tool could be put into trunk, which satisfied the demand of outdoor mobile calibration; Compatible installation with target panel of different sizes which meet the calibration need of different models; Level micro-adjustment for frame two arms makes it more simple and convenient to operate.
- X-431 ADAS Mobile tool enables the calibration of Lane Departure Warning (LDW) systems and ACC systems
- Compatible with around and rear view target, BSD radar target of ADAS PRO and more equipment to realize calibration for other ADAS systems

# Features

- ❑ Convenient to move for the foldable base and two arms.
- ❑ High precision for five-line & cross laser instrument to assist positioning.
- ❑ Easy for centering positioning for supporting level micro-adjustment.
- ❑ More convenient to use and store for designed with small targets.
- ❑ Manual rocker for going up and down, supporting outdoor calibration,
- ❑ Covering a wide range of car makes, and with various targets.
- ❑ Excellent user experience for providing detailed operation steps and illustrations

# Order Information

<b>Product Name:</b>	X-431 ADAS Mobile	
<b>Article Number:</b>	LE-ADASM-301250044	
<b>Suggestion List Price:</b>	9.500,00 € + VAT	
<b>Package Information:</b>	Main Frame Package	1110 x 455 x 527 mm
	Target Kit Box Package	940 x 665 x 525 mm
	Accessory Box Package	610 x 185 x 445 mm
	VW Target Package	1390 x 60 x 1000 mm
	Subaru Target Package	1390 x 60 x 1000 mm
	Hyundai Target Package	1030 x 60 x 420 mm

**Available: From February 2021**
